

ANIMAL POISON CONTROL LIST OF TOXIC PLANTS

This list contains plants that have been reported as having systemic effects on animals and/or intense effects on the gastrointestinal tract. Please note that the information contained in our plant lists is not meant to be all-inclusive, but rather a compilation of the most frequently encountered plants. If you think that your animal is ill or may have ingested a poisonous substance,

contact your local veterinarian or their 24-hour emergency poison hotline directly at 1-888-426-4435
